## Reception – Autumn 2

### I can recognise quantities, without counting, up to 5.

By the end of this half term, children should be able to recognise a small group of objects (up to 5) without needing to count them.

	<p>Children should know that this tens frame shows 5 without counting.</p> <p>And know this shows 4 cube without counting.</p>		<p>Children should be able to recognise this shows 3 without the need to count.</p>

The ability to be able to recognise an amount of objects without needing to count is called **subitising**.

#### Top Tips

The secret to success is practising **little** and **often**. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey?

Use practical resources – Show your child a small group of objects. Ask them how many there are without counting.
