## Chaddleworth St Andrew's and Shefford C.E. Federated Schools

Chaddleworth St Andrew's and Shefford C.E. Schools are unique in West Berkshire as being the only 'hard federation' of primary schools. We serve both the Chaddleworth (with Leckhampstead) and Great Shefford (with Shefford Woodlands and East Garston) communities.

All our children have the best of both worlds: local schools serving the local communities and small class sizes where all our children benefit from being taught alongside their peers across the schools by very experienced and dedicated staff.

The 2020/21 school year brings increased stability with a rise in pupil numbers for our schools in a period of national change and developments. We have our highest intake in recent years and this combined with pupil movement into the schools over the last year sees sustained growth.

We offer our families a unique and attractive church school setting and focus on excellence for our pupils supported by our strong Christian ethos.

All children from our schools are currently on the Shefford site. In September 2021 our roll is 90 children with 13 children in EYFS, 31 children in KS1 and 46 children in KS2.

### Our Vision

Our two Church schools are committed to enabling all pupils to achieve their full potential. We do this through developing a love of learning within a creative, supportive environment, built on strong Christian foundations, where everyone aspires to 'Go the extra mile'.

### We aim to:

- Provide a caring and welcoming school environment based on our Christian Values of Courage, Compassion, Trust, Friendship, Wisdom and Endurance that safeguards and promotes the wellbeing of all
- Provide an education of the highest quality for each and every child in a safe environment
- Ensure learners are respectful of others and the world they live in and strive to live by our Christian Values
- Develop resilient, independent and curious learners who are prepared for their future and the world around them
- Foster a life-long love of learning by providing a curriculum that progressively builds on and deepens their knowledge, understanding and skills
- Value and respect all members of the school and wider community and celebrate their efforts and achievements
- Foster a successful partnership with parents, carers, the Church and the wider community

These values underpin all we do. They are rooted in our Christian ethos and support us as we help our children learn the key skills and knowledge that they will need to rise to the challenges, opportunities and responsibilities that future life will bring.
