'Living life in all its fullness' John 10:10

Christian Values: Courage, Compassion, Trust, Friendship, Wisdom, Endurance

Dear Parents and Carers,

Next week it is 'Clean Air Day' and I wonder what we could all do on Thursday, 20th June to remind ourselves and others that we need to look after the environment. Could you park a little further away and walk to school? Could you cycle (wearing a helmet) to school? Or just remember to turn off your engine while waiting at the traffic lights?

Years 5 and 6 have been invited to bring in their bikes for a bike check on Thursday, ready for Bikeability in July. We have a bit of a cycling theme this term—look out for the French Olympics in a couple of week's time!

Thank you so much to staff, PTFA and parents for your support at the Chaddleshworth Fete—it was such a lovely community event and we raised over...£150! Look out for the Beach Trip thermometer at the school gate to see how close we are to our **£1,550.00** target!

We are all looking forward to the music concert next week with drumming, choir, guitar, piano and more...everyone is welcome to come along!

Have a peaceful weekend,

Best wishes,
Mrs Stephenson

The Big Question

Who is good role model for 'endurance'?
Why?

When was the last time your child had a check up at the dentist?

Use this link to find dentists that are accepting NHS patients: [NHS dentists](https://www.nhs.uk)
Please book non-urgent appointments outside school hours. Thank you!

When was the last time your child had their eye sight checked?

Does your child have any of the following issues?

- complaining of headaches or eye strain
- problems reading – for example, they may need to hold books close to their face and they may lose their place regularly
- problems with hand-eye co-ordination – for example, they may struggle to play ball games
- being unusually clumsy
- regularly rubbing their eyes
- sitting too close to the TV

Speak to an optician if you have any concerns about your child's eyes or vision. The earlier a problem is picked up the better. Please book non-urgent appointments outside school hours. Thank you!

Parental Permissions using Google Forms

We are very excited to be able to offer a wide variety of learning opportunities (trips, play, competitions, concerts) for our children and thankful for all the staff who dedicate their time and effort in helping us achieve our school vision "Living life in all its fullness". Of course we are also extremely thankful for all the support we receive from our parents and carers in making sure children arrive, ready for the day's events.

As we are aware that this is a busy term with many events, we think it might be easier if we have the Google forms in the newsletter (in addition to SchoolComms) so that you can complete them in one go. Please let us know at drop off/via email on Monday if you like this system.

Thank you for completing the forms on time—it makes a huge difference! Please check here for the Google forms we have sent out recently:
