Christian Values: Courage, Compassion, Trust, Friendship, Wisdom, Endurance

Dear Parents and Carers

What a fantastic concert we had at Brightwalton Church this week. Thank you to Katherine Moore, Brightwalton School and all our families for coming to watch and support us. Also, a special thank you to Mrs Higgins and Mrs Stockwell for organising it and Rev. Mike for compering it, as well as teaching our children to play the djembe drums. Polly Capron, one of our Governors said: "I just wanted to congratulate you all on a wonderful performance this week. It was so well organised and all the children performed beautifully. All the audience thoroughly enjoyed it. It was great to see the schools perform together to!"

Thank you for all your raffle prize donations too—
15 days to go until the fête!

Have a lovely weekend!

Best wishes,
Mrs Stephenson
Headteacher

Warmer and sunnier weather

As the weather warms up please can you ensure your child/ren come to school with:

- A water bottle
- A sun hat
- Sunscreen applied before they come to school

Children are welcome to bring their sunscreen to school if they are capable of applying this themselves. Please can you ensure that the bottles are clearly labelled and that your child understands they are not able to share their sunscreen with another child. No sunglasses unless they are prescribed. Children without a hat will be asked to play in the shade. Thank you.

Smart watches and phones

On the rare occasion that your child might need to bring a mobile phone to school, please let us know so that we can store it safely during the day, until home time.

Smart watches— please ensure that your child cannot send/receive messages, access the internet or take photos using any device from home whilst at school. If this is not possible then we ask that the device is left at home.

Thank you for your support

First Aid Course—thank you PTFA

All the children learnt about DRSABC and how to do CPR, using their teddies to practice on. Just today,

Mrs Kimber overheard a conversation two children were having about the defibrillators and what they do. Thank you PTFA and all parents for your donations that allowed this to take place!

Golden Moments

Learning to do CPR

Going to the John O'Gaunt Primary Project. It was really good fun!

Taking part in the concert on Wednesday. I was really nervous but glad I took part and performed.

The Big Question

Would you rather win a race easily or come second, knowing you've beaten your personal best?
