'Living life in all its fullness' John 10:10

Dear Parents and Carers,

It's been another busy week of learning! With children proud to share their progress and achievements such as improved handwriting, presentations of History learning, team work in Forest School, sporting skills and accuracy, applying phonics in reading and writing and development of creative artistic skills too!

Thank you for everyone being weather ready, ensuring children have coats and wellies or trainers for playtimes means we can get outside for fresh air and a run around at break times 'whatever the weather', with only heavy down pours this week taking us inside for wet playtimes.

Wishing everyone a wonderful weekend,

Ms Munday Headteacher www.csfschools.org

Whole School Worship...

Our Christian value focus on Courage this term gave a good opportunity for us to share the Bible story of 'Moses and the Burning Bush'. We needed to find out a little more about Moses first and shared that, *Moses is one of the most important people in Judaism, one of the oldest religions in the world, that began about 4,000 years ago in the Middle East. Moses was a very important leader in the Bible who helped free the Israelites from slavery in Egypt and received the Ten Commandments from God.*

We were then able to find the story in our Worship Bible, in the Old Testament. However we wanted more information about this strange event and how Moses was challenged to use his courage. Click on the story title image to watch and hear the story we shared.

Through our discussions in worship we realised Moses was courageous and used his bravery to listen to God's message and act on it, even when he really wasn't so sure he was able to follow God's instructions at first.

Children were able to share their examples of courage, such as keeping going with sporting challenges, not giving up on tricky learning tasks and being brave to try new opportunities.

Stingers Netball...

'A small group of us went to Park House on Tuesday evening for a very cold netball tournament against lots of local schools. Despite the freezing weather, the girls played brilliantly, showing incredible perseverance and teamwork and really challenging their opponents. We played three very closely-fought matches, with some fantastic interceptions and great movement up the court. The team encouraged each other, cheered on the other teams' successes and showed amazing sportsmanship. A thoroughly well done to all of them; I was so proud!' Mrs Chrimes

Class worship...

How have we all been..." Living life in all its fullness" (John 10:10) this week?

With particular focus on our new Christian value of 'Courage' for this term...

	In Robins...	Albi, "Daddy helped me to put on my vest and I did the rest!"
		Tilly, "I went down a big water slide. I didn't want to but I did!"
	In Kingfishers...	Ellie, "I did some weeding at school with a teacher."
		Nancy, "I swam under the water."
	In Owls...	Hollie, "I showed resilience during dance club on Monday. Some of the moves were hard, but I kept going and did not give up."
		Alexi, "I used courage in my English lesson to finish writing my character description about Thomas Snoop. I also tried my best to use neat joined-up handwriting."
	In Red Kites...	Eleanor, "Using my writing tools to write a dream narrative."
		Lilly-Kate, "I enjoyed playing netball."
		Sullivan, "Forest school was fun."
		Ava, "I've liked learning about J.M.W. Turner and mixing colours in a colour wheel."
Our school adults...		Mrs Bell, "This week I have enjoyed helping two children learn to crochet at lunchtime! I have been amazed by their patience and determination to give it a go. Little and often, we will get there and we will keep you all posted with what they have created!"

Parent and carer community news and information...

The Oxford Brookes Science Bazaar will be held on Friday 21st February, 9:30am-4:00pm, at our Headington Campus (OX3 0BP). The event is designed to inspire curiosity and excitement around science through hands-on, interactive activities, and is most suitable for children aged 5–12, though all ages are welcome. With over 70 drop-in activities, families can explore science together in a relaxed and engaging environment. On the day, visitors can enjoy:

- Hands-on science activities led by real scientists, researchers, and students.
- Live science shows and demonstrations throughout the day.
- Interactive workshops covering topics such as psychology, medicine, engineering, robotics, coding, nutrition, and more.
- STEM games and challenges, with prizes to be won.

The Science Bazaar is a great opportunity for children to experience science outside the classroom, ask questions, and see how science connects to everyday life and future careers.

Royal Berkshire Fire Authority (RBFA) is consulting Royal Berkshire residents and staff on Council Tax funding for the next financial year until 9am on Monday, 2 February.

RBFA is committed to delivering value for money across the services provided to local residents. However, due to significant budgetary pressure [as outlined in this letter](#), to maintain the current level of service RBFA is proposing a £5 increase for 2026/27, based on a Band D precept, to £91.31.

Take part in the consultation by [completing this online survey](#).

Many thanks for all your support,
